

What do you think about the Fern Hill Development of Temple Emanuel property?

603 Apartments, a multi-building multi-unit Apartment, Retail and Temple complex in our already heavily populated neighborhood? Would you like to help to appeal the size of this project to meet a reasonable height and capacity.

Community Outreach What you can do:

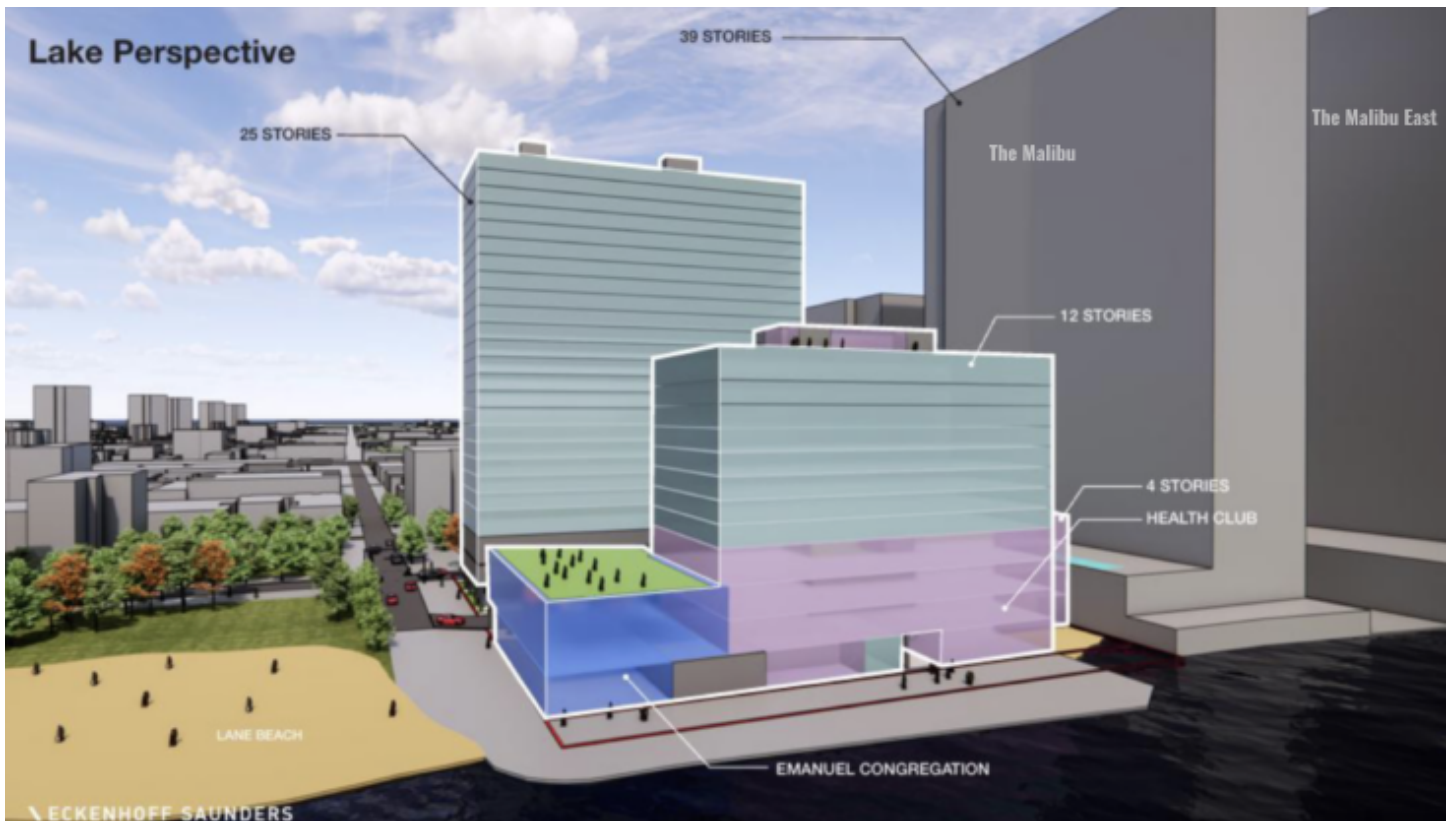

1. **Send your email to fernhillmanuelistoobig@gmail.com**, so you can get fast updates
2. **Sign the petition** – Wednesday 5-7pm, Thursday 5-7pm 6033 N. Sheridan Rd. by/in the Malibu Market Lobby (The Captain's Walk)
3. **Submit written comments to the Chicago Plan Commission** -send a formal written statement detailing your specific traffic and pedestrian safety concerns to the commission's official public comment email address:

cpc@cityofchicago.gov

You must include reference project address 5959, 5967 & 5966 N Sheridan Road. Clearly layout the impact of introducing hundreds of new residential units with limited parking spaces will have on pedestrian and traffic congestion, near beach, lakefront, visibility corridors and vehicular bottleneck.

4. **Compile evidence** - Take as many photos as possible of existing traffic issues, with fire trucks, ambulances, buses, Lyft, Uber, Amazon, FedEx, UPS and taxis.
5. **Attend the meeting at City of Chicago Plan Commission**, to be determined at a later date. We will provide updates through our email address located above.

This is the last rendering for proposed project:
